Education

I.Com
Gomia Inter College, Swang
March 2018 - February 2020
Diploma in Electrical
Silli Polytechnic, Silli
December 2020 - May 2023

Technical Skills

RESTful APIs Git
MongoDB Node.JS
HTML5 CSS3 JavaScript
Express.JS

Certifications

Muhammad Tauseef Raza 
Masai School
I completed the Masai Speaking Marathon, which continued for 26 days. That's why I got a full marathon completion certificate.

Muhammad Tauseef Raza

Full Stack Web Developer

Professional Summary

Driven Full Stack Web Developer with expertise in the MERN stack, strong problem-solving abilities, and a detail-oriented approach. Demonstrates proficiency in utilizing Generative AI and rapidly learning new tech stacks. Possesses exceptional collaboration skills, ensuring the seamless integration of client and server components to develop robust web applications.

Projects

Nutrition Pro [Live Demo Link](#) [Github Repo Link](#)

React Tailwind CSS Node.js Express.js
MongoDB RESTful APIs

- Developed a full-stack web application with a focus on personalized nutrition advice and food tracking using the MERN stack.
- Designed and implemented a user-friendly interface using React, focusing on seamless interaction across devices.
- Collaborated with a team to ensure efficient integration of front-end and back-end features using Node.js and Express.js.
- Implemented AI-powered features such as image-based nutrition analysis and a QR code generator.
- Conducted thorough testing and debugging to ensure smooth functionality and reliability of the application.

Crime Portal [Live Demo Link](#) [Github Repo Link](#)

React Git HTML5 TailwindCSS RESTful APIs

- Contributed to building a web-based Crime Reporting System with a responsive and intuitive user interface using React and Tailwind CSS.
- Developed reusable React components and dynamic graphs with Graph.js for effective crime data visualization.
- Integrated RESTful APIs for data interaction, following modern design principles for optimized performance.
- Ensured responsive design across different devices and screen sizes.
- Actively participated in team discussions to align design and functionality with project goals.
